If you are in the process or have already separated from all CalPERS-covered employment, you will need to consider whether you want to keep your retirement contributions on deposit with CalPERS or receive a refund. **Please note that distributions made in the calendar year you attain age 70 ½ or later have special tax rules. If you are, or will be, 70 ½ this year please contact CalPERS to request a “Required Minimum Distribution” packet.**

Before making this important decision, please read all of the enclosed information. It contains information you will need to make an informed decision. If you do not understand your options as they are presented to you, please call our office at the toll free number above for clarification. Please carefully consider that a refund of your CalPERS retirement contributions is an irrevocable election to terminate your CalPERS membership and forfeit your right to future retirement, disability or death benefits, unless you are a vested member under State Second Tier.

If you are moving from one CalPERS-covered employer to another, you may not withdraw your retirement contributions. You must be permanently separated from all CalPERS-covered employment before you may terminate your CalPERS membership and receive a return of retirement contributions. In addition, CalPERS has agreements with many publicly funded retirement systems which permit movement between public employers within a specific time period without loss of retirement rights. If you are moving to a position covered under CalSTRS, Legislators’ Retirement System, University of California Retirement Plan, Judges’ I/II Retirement System or any of the agencies listed below, you may not be able to withdraw your retirement contributions. For additional information about your rights and responsibilities, you can download the publication “When You Change Retirement Systems” from our Web site or call us at the toll free number above.

Please determine which bullet applies to you and read the applicable important information that should be considered before you decide to withdraw your contributions and terminate your membership in CalPERS.

• **If you have less than 5 years of service credit:** You are not a vested CalPERS member. If you decide to leave your contributions on deposit with CalPERS, you will continue to earn interest at the current rate of 6% APR and your membership will continue. No additional service credit will be earned unless you again become employed by a CalPERS-covered employer or acquire reciprocal rights with another California public retirement system. **Only if you become vested will you have the right to future retirement benefits. Exception:** If you have a job-related disability and are a safety member, you may qualify for Industrial Disability Retirement even if you have less than 5 years of service credit. Contact your employer or CalPERS for more information.

• **If you have at least 5 years of service credit and are younger than age 50:** You are a vested CalPERS member. You may leave your contributions on deposit with CalPERS, earning interest at the current rate of 6%. Then, when you are age 50, the minimum age to qualify for service retirement, you can apply for retirement and receive a monthly allowance based on the service credit earned before you separated from employment. You should use the retirement estimate calculator on our Web site at www.calpers.ca.gov to find out what your allowance would be at age 50. If you are disabled, regardless of age, you may be eligible for disability retirement. Contact your employer or CalPERS for the disability retirement election/application package.

• **If you have at least 5 years of service credit and are age 50 or older:** You are a vested CalPERS member who qualifies for service retirement. You should use the retirement estimate calculator on our Web site at www.calpers.ca.gov to get an estimate of your retirement allowance before deciding if you want to withdraw your contributions, thus forfeiting your right to a monthly allowance. You may obtain a service retirement election/application package from your employer or CalPERS.

**If you wish to leave your funds on deposit, you do not need to respond to this letter.** You will continue to receive an Annual Member Statement every fall. If you move, please call CalPERS to update your address on our records.

**If, after considering all information, you wish to withdraw your funds you may do so providing you:**

1. Have permanently separated from employment.
2. Are not moving to another CalPERS-covered employer.
3. Are not accepting a job covered by another California public retirement system.

Your refund will be comprised of the retirement contributions in your account with interest at 6% through the date your payment is scheduled to the State Controller's Office. To apply for a refund you can download the Refund Election Form and mail it in. You can also contact us to request the documents be mailed to you.

Please be aware that the employer contributions are NOT refundable. The amount contributed by your employer goes into a separate fund that is used only to pay the pension portion of retirement or death benefits. If you have any questions, please visit our Web site www.calpers.ca.gov, or you may contact us toll free at 888-CalPERS (or 888-225-7377).

REFUND TAX INFORMATION
RETAIN FOR FUTURE REFERENCE

The following consists of summarized tax information and is provided in accordance with Section 402(f) of the Internal Revenue Code. CalPERS cannot provide specific information or tax advice. Please see your tax consultant, the Internal Revenue Service or the State Franchise Tax Board. For additional information concerning rollovers, consult the appropriate financial institution of your choice. Distributions made in the calendar year you attain age 70 ½ or later have special tax rules. If you are, or will be, 70 ½ this year please contact CalPERS to request a “Required Minimum Distribution” packet.

Distributions made before the calendar year you attain age 70 ½ - The taxable portion of your refund, as an Eligible Rollover Distribution (ERD) is subject to mandatory 20% Federal tax withholding unless the taxable portion of the refund is rolled over into an IRA or other eligible defined contribution plan.

Rollovers – An Eligible Rollover Distribution (ERD) consists of the taxable portion of a refund of your contributions, including interest, due to a separation from all CalPERS-covered employment. You may avoid current taxation on the taxable amount of an ERD by rolling over that amount to an individual retirement arrangement (IRA) or another qualified employer retirement plan that accepts rollover contributions. Taxes will be reportable when you take the money out of the IRA or other qualified plan.

Early withdrawal penalty – If you are under age 59 ½ at the time of the distribution, any taxable portion not rolled over may be subject to an early withdrawal penalty tax of 10% federal and 2 ½ % state unless an exception applies, PLUS any income tax due on the distribution. There are some instances where an individual will be exempt from the early withdrawal penalty, such as:

- A lump sum distribution made to you because of your separation from service after attaining age 55 or after becoming disabled. CalPERS cannot verify that a lump sum distribution was made due to disability; therefore you should contact the IRS directly to apply for this exception.
- The 10% federal penalty tax will be waived when a lump sum distribution is made because of your separation from service as a safety member (as defined by the IRS) providing police protection, firefighting service or emergency medical service. The separation of service must have occurred during or after the calendar year in which you attained age 50.

California State Tax Withholding – If you elect to receive an in-hand distribution of your contributions, California state income tax withholding is optional. State tax, if withheld, is 2% of the taxable portion of the refund. If you elect a rollover, no state tax will be withheld.
Statement of Citizenship/Federal Tax Withholding Election – If you are a Citizen of the United States living abroad, a Resident Alien (you meet green card or substantial presence test), or a Nonresident Alien (you are neither a U.S. Citizen nor a resident) you must complete the Statement of Citizenship/Federal Tax Withholding Election form. For tax purposes, an alien is an individual who is not a United States citizen. Aliens are classified as nonresident (living outside the U.S.) aliens and resident (living in the U.S.) aliens.

Generally, a foreign person is subject to U.S. tax on his/her source of income. Most types of U.S. source income received by a foreign person are subject to U.S. tax of 30%. A reduced rate, including exemption, may apply if there is a tax treaty between the foreign person's country of residence and the United States. However, CalPERS requires a U.S taxpayer identification number to apply the reduced rate and to issue payment.

For more information on these exceptions, please contact the Internal Revenue Service, the Franchise Tax Board, or your tax consultant.
