

Advancement to Candidacy Attachment B: Project/Thesis Description

Name _____ Humboldt ID: _____

Degree: _____

Concentration: _____

Working Title: Provide a tentative title for your thesis. It should be **concise** and **precise** so as to allow other researchers to correctly infer the topic of your research. The official title will be approved along with the final thesis/project

Problem or Project: State clearly the research problem you intend to investigate or the project you intend to conduct. You should be able to define your problem or project in no more than 100 words

Procedure or Method: Briefly describe how you plan to investigate the problem or conduct the project. Identify the types of information and approach you will use. 500 words

Use of Human Subjects

Does your research involve the use of human subjects?

If yes, you must obtain approval from the Cal Poly Humboldt Institutional Review Board before your application for Advancement to Candidacy can be submitted to Graduate Studies. Attach a copy of the IRB Approval Memo for your research in Adobe Sign.

Enter IRB Number

Use of Non-Human Vertebrates:

Does your research involve the use of non-human vertebrates?

If yes, you must obtain approval from the Cal Poly Humboldt Institutional Animal Care and Use Committee (IACUC) before your application for Advancement to Candidacy can be submitted to Graduate Studies. Attach a copy of the IACUC Final Committee Decision for your research in Adobe Sign.
