

OPEN ENROLLMENT FOR 2017

September 12, 2016 thru October 7, 2016

It's About Choice, It's About Value, It's About You!

Open Enrollment is your annual opportunity to review your current enrollments to determine the best options available to you and your family. **Consider these factors when selecting your benefit options:**

- ▶ Your current plan enrollments and any upcoming plan changes
- ▶ Any new plan costs
- ▶ Any life changes that may occur for you in the new year

Once you have reviewed your plan options you can make additions, changes or deletions to your benefits, which will become effective January 1, 2017.

Your health benefit is provided in partnership with the California Public Employees' Retirement System (CalPERS). Open Enrollment including health plans are available on the CalPERS website located at www.calpers.ca.gov.
