Drop & Refund Policy

Since Extended Education is a self-supporting program, enrollments in courses must be sufficient to pay salaries and other expenses. The following refund procedures have been adopted according to the formula for refunds established in Title V of the California Administrative Code.

A student who, for any reason, finds it impossible to complete the course for which s/he is registered must inform the College of eLearning & Extended Education by completing and submitting the proper forms. Please allow two to six weeks to receive refund. Credit card refunds are in the form of a credit on account.

For refund purposes, the drop will be effective as of the time during normal business hours (Monday-Friday, 8 a.m.-5 p.m.) that Extended Education receives, or is able to receive written notification.

Non-attendance or stopping payment on a check or payment voucher does not constitute an official drop, nor does only notification to the instructor. Drops do not necessarily entitle the student to a refund of fees paid, or the cancellation of fees still due.

Disability accommodation may be available. Contact the College of eLearning & Extended Education: (707) 826-3731

HSU is an AA/EO Employer.
