Administrative Advisor:

Student organizations/clubs will be assigned an Administrative Advisor for support should your proposal be funded. The role of the Administrative Advisor is to support/advise the student(s) on HOW to do things, not to do it for them. The Administrative Advisor is familiar with HSU procedures for processing reimbursements and other administrative paperwork. You will be notified who your advisor will be when you receive your award letter. You will need to meet with your advisor within two weeks of notification that your proposal has been funded. You will need to have this form signed by your advisor, and turned into the Office of Diversity and Inclusion (Siemens Hall 209).

If you are required to have other signatures on this form, the original signed form must be turned in at the time of proposal submittal. The Office of Diversity and Inclusion will forward the original to your assigned advisor.

*****NOTE*****

The Administrative Advisor is the liaison between the student and the Diversity Program Funding Grant Administrator (ODI).

If you have any questions regarding your role please visit www.humboldt.edu/diversity or contact Amie Rodriguez in the Office of Diversity and Inclusion @ 707-826-4503.
